INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of DANI DEVELOPING AND NURTURING INDEPENDENCE

Opinion

We have audited the financial statements of DANI DEVELOPING AND NURTURING INDEPENDENCE (the "Organization"), which comprise the balance sheet as at December 31, 2020, and the statements of operations and changes in net assets and cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Organization as at December 31, 2020, and the results of its operations and cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit Organizations.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Organization in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian accounting standards for not-for-profit Organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Organization's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Organization or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Organization's financial reporting process.

(continues)

Independent Auditor's Report to the Board of Directors of DANI DEVELOPING AND NURTURING INDEPENDENCE *(continued)*

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements. As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Organization's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Organization to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

DANI DEVELOPING AND NURTURING INDEPENDENCE

NOTES TO FINANCIAL STATEMENTS

December 31, 2020

1. PURPOSE OF THE ORGANIZATION

DANI DEVELOPING AND NURTURING INDEPENDENCE (the "Organization") is incorporated under the laws of Ontario. The Organization's mission is to create opportunities for young adults with physical and/or cognitive challenges to participate fully as valued members of the community and to enjoy a meaningful and dignified quality of life. The Organization is a registered Canadian charitable organization under the Income Tax Act (Canada) and, as such, is exempt from income taxes.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of presentation

These financial statements have been prepared in accordance with Canadian accounting standards for not-for-profit organizations as contained in Part III of the Chartered Professional Accountant Canada ("CPAC") Handbook. To the extent Part III of the CPAC Handbook does not address certain matters applicable to the Organization; it will use accounting standards for private enterprises contained in Part II of the CPAC Handbook.

Cash and cash equivalents

Cash and cash equivalents include cash on hand and term deposits with original maturities of 90 days or less.

Revenue recognition

The Organization follows the deferral method of accounting for contributions that include donations and contributions for various activities and programs. Unrestricted contributions are recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured. Unrestricted donations are recognized as revenue when received since pledges are not legally enforceable claims. Externally restricted contributions are recognized as revenue in the period that the related expenses are incurred.

Deferred capital contributions

Capital contributions for the purpose of acquiring depreciable capital assets are deferred and amortized on the same basis, and over the same periods, as the related capital assets.

DANI DEVELOPING AND NURTURING INDEPENDENCE

NOTES TO FINANCIAL STATEMENTS

December 31, 2020

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Financial instruments

The Organization initially measures its financial assets and liabilities at fair value, except for certain related party transactions that are measured at the carrying amount or exchange amount, as appropriate.

The Organization subsequently measures all its financial assets and financial liabilities at cost or amortized cost, except for investments in mutual funds that are readily marketable, which are measured at fair value. Changes in fair value are recognized in the statement of operations in the period incurred.

Financial assets measured at cost or amortized cost includes cash and cash equivalents and accounts receivable.

Financial liabilities measured at cost or amortized cost includes accounts payable and accrued liabilities, rent and utilities payable, Canada Emergency Business Account Loan and long-term loan.

Foreign currency translation

Transactions denominated in foreign currencies are translated into Canadian dollars at exchange rates prevailing at the transaction date. Monetary assets and liabilities that are denominated in foreign currencies are translated into Canadian dollars at the year-end exchange rates. Gains or losses resulting from currency transactions are included in the statement of operations.

Capital assets

Capital assets are recorded at cost less accumulated amortization. Capital assets are amortized over their estimated useful lives using the declining balance method at the following rates:

Motor vehicles	30%
Building improvements	10%
Equipment	20%
Computer equipment	45%

All additions made during the year are amortized at 50% of the above rates.

DANI DEVELOPING AND NURTURING INDEPENDENCE

NOTES TO FINANCIAL STATEMENTS

December 31, 2020

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Contributed materials and services

Volunteers contribute extensive time and effort to assist the Organization in carrying out its activities. Because of the difficulty in determining fair value, contributed materials and services are not recognized in the financial statements.

Measurement uncertainty

The preparation of financial statements in conformity with Canadian accounting standards for not-for-profit organizations requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Management reviews these estimates periodically and includes useful lives of capital assets and accruals. As adjustments become necessary, they are reported in the period that they become known. Actual results may vary from the current estimates.

In March 2020, the World Health Organization declared the COVID-19 outbreak a pandemic, which caused a major health crisis worldwide that affects the global economy and financial markets. Federal, provincial and municipal governments introduced numerous measures to protect the public. At this time, it is unknown the extent of the impact the COVID-19 outbreak may have on the Organization as this will depend on future developments that are highly uncertain and that cannot be predicted with confidence. Given the outcome and time-frame to a recovery from the current pandemic is highly unpredictable, it is not practicable to estimate and disclose its financial effect on future operations at this time.

Impairment of financial instruments

Financial assets measured at cost are tested for impairment when there are indicators of impairment. The amount of the write-down is recognized in the statement of operations. The previously recognized impairment loss may be reversed to the extent of the improvement, directly or by adjusting the allowance account, provided it is no greater than the amount that would have been reported at the date of the reversal had the impairment not been recognized previously. The amount of the reversal is recognized in the statement of operations.

DANI DEVELOPING AND NURTURING INDEPENDENCE

NOTES TO FINANCIAL STATEMENTS

December 31, 2020

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Impairment of long-lived assets

The Organization reviews long-lived assets such as capital assets whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. When indicators of impairment of the carrying value of the assets exist and the carrying value is greater than the net recoverable value, an impairment loss is recognized to the extent that the fair value is below the carrying value.

Government assistance

Government assistance received toward current expenses, including salaries and rent, is recognized as other income at the time the respective expenses are incurred, provided there is reasonable assurance that the Organization has complied and will continue to comply with all the conditions of the government assistance.

Investments

Investments are stated at fair value as at the date of the financial statements. Fair value is the amount of consideration that would be agreed upon in an arm's length transaction between knowledgeable willing parties who are under no compulsion to act. The units of the mutual fund are valued by their respective fund managers based upon values obtained from external sources for the underlying investments.

Investment transactions are recorded as of the trade date. Net realized gains and losses on the sale of investments and unrealized gains and losses in the fair values of investments are recognized in the statement of operations as changes in the fair value of the investments. Interest earned on investments is recorded on an accrual basis. Distributions from mutual funds are recorded when declared by the fund administrator. Transaction costs are expensed as incurred.

DANI DEVELOPING AND NURTURING INDEPENDENCE

NOTES TO FINANCIAL STATEMENTS

December 31, 2020

3. CASH AND CASH EQUIVALENTS

Cash and cash equivalents consist of the following:

	2020	2019
	\$	\$
Current account and cash on hand	563,835	69,288

The Organization has an operating line of credit with the Royal Bank of Canada to a maximum amount of \$25,000 bearing interest at prime plus 1.5% and is secured by a personal guarantee of the co-founder and director. As at December 31, 2020, the balance outstanding was \$nil (2019 - \$nil).

4. INVESTMENTS

During fiscal 2019 the Organization invested \$120,000 in RBC Select Conservative Portfolio – Sr. A (RBF461) mutual fund. As at December 31, 2020, the fair value of the investments was \$136,689 (2019 - \$125,977).

5. CAPITAL ASSETS

Capital assets consist of the following:

	Cost	Accumulated amortization	2020 Net book value	2019 Net book value
	\$	\$	\$	\$
Motor vehicle	93,462	78,889	14,573	20,818

6. DEFERRED CONTRIBUTIONS (continued)

The balance has been classified as follows:

	2020	2019
	\$	\$
Current	207,829	90,971
Non-current	257,619	162,050
	465,448	253,021

Deferred program contributions represent unspent externally and internally restricted grants and donations received for the Bridges to Transition program.

Deferred capital contributions represent unamortized amount of contributions received for the purchase/construction of capital assets.

The United Way of Greater Toronto (the “Foundation”) Grant relates to restricted amounts for the Greenhouse Retrofitting, to be carried out in accordance with the terms of the agreement. To date, DANI received the total grant amount of \$17,500 from the Foundation. Additionally, during the year ended December 31, 2020, the Organization received an additional \$50,000 for the purposes of addressing social issues caused by COVID-19 by reconfiguring spaces to create safe program spaces for adults with disabilities as well as receiving virtual recreational and social programs. Amortization of the deferred contributions is recorded on the same basis as eligible expenses are incurred. The contributions from the Foundation are subject to fulfillment of certain conditions and commitments and eligibility criteria provided for in the agreement. In the event of default, the Foundation has the right to suspend or terminate any obligations and require DANI to repay all or part of the funds received.

The Maxwell and Leroy Foundation (the “Foundation”) Grant for 2020 relates to restricted amounts for the purchase of computer equipment and renovations for social distancing, to be carried out in accordance with the terms of the agreement. To date, DANI received the total grant amount of \$156,000 from the Foundation. Amortization of the deferred contributions is recorded on the same basis as eligible expenses are incurred. The contributions from the Foundation are subject to fulfillment of certain conditions and commitments and eligibility criteria provided for in the agreement. In the event of default, the Foundation has the right to suspend or terminate any obligations and require DANI to repay all or part of the funds received.

DANI DEVELOPING AND NURTURING INDEPENDENCE

NOTES TO FINANCIAL STATEMENTS

December 31, 2020

6. DEFERRED CONTRIBUTIONS (continued)

The Azrieli Foundation (the “Foundation”) Grants relate to restricted amounts for a) the lease on 401 Magnetic Dr. and b) undertaking renovations to its existing Clark Avenue West location to be carried out in accordance with the terms of the agreements. The total amount of grant to be received is \$600,000 in three payments as follows: first payment of \$180,000 to be paid on or before December 1, 2020, the second payment of \$270,000 to be paid on or before Sept 1, 2021 and the third payment of \$150,000 to be paid on or before September 1, 2022. To date, DANI has received \$180,000 from the Foundation. Amortization of the deferred contributions is recorded on the same basis as eligible expenses are incurred. The contributions from the Foundation are subject to fulfillment of certain conditions and commitments and eligibility criteria provided for in the agreement. In the event of default, the Foundation has the right to suspend or terminate any obligations and require DANI to repay all or part of the funds received.

7. LONG-TERM LOAN

The Organization obtained a loan for retrofitting of the Greenhouse. The loan is repayable in equal monthly instalments of \$779.31, at an annual interest rate of 3.45%, maturing March 14, 2020. The balance has been paid off in fiscal year ended December 31, 2020.

8. RELATED PARTY TRANSACTIONS

Transactions between the Organization and the board members are considered to be related party transactions. These transactions are in the normal course of operations and are measured at the exchange amount, which is the amount of consideration established and agreed to by the related parties.

There were no related party transactions during the year.

DANI DEVELOPING AND NURTURING INDEPENDENCE

NOTES TO FINANCIAL STATEMENTS

December 31, 2020

9. COMMITMENTS

The Organization has the following lease commitments:

- (a) The Organization has a long-term lease with respect to its premises on Clark Avenue West. The lease term is for a five year period commencing April 2014 to May 2018, with an option to renew for two additional five year periods at the discretion of the City. The City has extended the lease for an additional five year term and will now expire in May 2023. The rent obligation is subject to a 2% annual rent increase.
- (b) The Organization has a long-term lease with respect to its premises on 401 Magnetic Drive. The lease term is for a seven year period commencing August 2020 to July 31, 2028. The rent obligation is subject to a 2% annual rent increase.

The total future minimum lease payments as at December 31, 2020 are as follows:

	\$
2021	137,620
2022	140,386
2023	116,432
2024	108,157
2025	110,835
Thereafter	278,583
Total	892,013

10. ACCOUNTS PAYABLE - NON-CURRENT

The Organization has been reassessed by the City of Vaughan and is required to pay utilities for 2017 and onward. The City of Vaughan has given the Organization 60 months to pay its 2017 obligation in equal monthly instalments of \$536.

11. CANADA EMERGENCY BUSINESS ACCOUNT LOAN

During the year, the Organization obtained a \$60,000 loan under the Canada Emergency Business Account (“CEBA”) Program. If the Organization repays \$40,000 by December 31, 2022, the \$20,000 balance will be forgiven. Otherwise, an interest rate of 5% will apply to the balance, which will be repayable in 36 monthly blended instalments [December 31, 2025]. Since there is reasonable assurance that the Organization will repay \$40,000 by December 31, 2022, the Organization recognized \$20,000 in net income when the loan was granted, which is presented as forgivable portion of CEBA loan.

DANI DEVELOPING AND NURTURING INDEPENDENCE

NOTES TO FINANCIAL STATEMENTS

December 31, 2020

12. GOVERNMENT ASSISTANCE

During the year ended December 31, 2020, the Government of Canada announced the Canada Emergency Wage Subsidy (“CEWS”) as well as the Canada Emergency Rent Subsidy (“CERS”) for Canadian organizations whose operations were affected by the COVID-19 pandemic. The CEWS provides a subsidy towards eligible employees’ remuneration, subject to certain criteria and CERS provides a subsidy towards rent, subject to certain criteria. Accordingly, the Organization applied for the CEWS and CERS to the extent it met the requirements to receive the subsidies during the year ended December 31, 2020 and \$422,395 and \$28,218 were recognized in the statement of operations as other income, respectively. Also, the CERS receivable and CEWS receivable as at December 31, 2020 of \$19,873 and \$49,372 respectively has been recorded as government subsidies receivable in the balance sheet.

13. RENT AND UTILITIES PAYABLE

Due to the disruption of the COVID-19 crisis, the Organization's rent and utilities payment for the months of April, May, June and July 2020 to the City of Vaughan were deferred and will be paid in 12 equal monthly instalments from January to December 2021.

14. FINANCIAL INSTRUMENTS

The Organization is exposed to various risks through its financial instruments. The following analysis provides a measure of the Organization’s risk exposure at the balance sheet date, December 31, 2020:

Credit Risk

Credit risk is the risk of a loss if counterparty to a financial instrument fails to meet its contractual obligations. The Organization is exposed to credit risk primarily from its cash and cash equivalents and accounts receivable balances. The Organization manages its risk from cash balances by maintaining its accounts with credit worthy financial institutions. The Organization does not believe there is significant credit risk with respect to the accounts receivable as it relates to a government grant.

Liquidity Risk

Liquidity risk is the risk that the Organization will encounter difficulty in meeting obligations associated with the settlement of its financial liabilities. The Organization is exposed to this risk mainly in respect of its long-term loan and accounts payable and accrued liabilities. The Organization manages its risk by regularly monitoring its cash flow requirements.

DANI DEVELOPING AND NURTURING INDEPENDENCE

NOTES TO FINANCIAL STATEMENTS

December 31, 2020

14. FINANCIAL INSTRUMENTS (continued)

Interest Rate Risk

Interest rate risk is the risk that the value or future cash flows of a financial instrument might be adversely affected by a change in the interest rates. In seeking to minimize the risks from interest rate fluctuations, the Organization manages exposure through its normal operating and financing activities. The Organization is not exposed to interest rate risk as it does not have any significant interest bearing financial instruments.

Currency Risk

Currency risk is the risk to the Organization's earnings that arise from fluctuations of the exchange rates and the degree of volatility of these rates. The Organization is exposed to the currency exchange risk on its cash balance. As at December 31, 2020, the Organization had cash of \$3,995 (2019 – \$2,920) in U.S. dollars. The Organization does not use derivative instruments to reduce its exposure to foreign currency risk.

Other Price Risk

Other price risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. The Organization is exposed to other price risk through its investments in a mutual fund for which the fair value fluctuates based on quoted market price.

15. CAPITAL MANAGEMENT

In managing capital, the Organization focuses on liquid resources available for operations. The Organization's objective is to have sufficient liquid resources to continue operating despite adverse financial events. The need for sufficient liquid resources is considered in the preparation of an annual budget and in the monitoring of cash flows and actual operating results compared to the budget. As at December 31, 2020, the Organization has met its objective of having sufficient liquid resources to meet its current obligations.

16. SUBSEQUENT EVENT

Subsequent to the year end, the Organization has signed a funding agreement with Ryerson University to set up a Virtual Inclusive Learning Academy. Under the agreement, the Organization will receive funding of up to \$428,000 for eligible expenses by March 2023.
